

*At River of Life, we believe in dedicating children to the Lord. It's a very important and special occasion for both the child and the parents. This is a time where parents make a public covenant with God to raise their children according to His Holy Word.*

If you're interested in dedicating your child, we have made arrangements for you to do just that. Simply sign up, and we will get back with you. You can go online and register or pick up an application at our Guest Services Desk. Your family and friends are all welcome to attend! There will be video recording along with photos that we will make available for you on our church website.

## **Dedication Covenant:**

We believe dedicating your child is a covenant made between the parents/guardians and God. We ask that you approach this dedication as a sacred and serious commitment. As the parent/guardian of the child, you will need to read over the following vows:

***We commit publicly to stand strong for righteousness in their lives, and we endeavor to build a godly foundation for them to develop and fulfill their God-given destiny.***

***Knowing the influence relationships have, we commit to teach our children to choose wisely and abide within God’s Biblical boundaries in all their relationships.***
